Dan Faustina Joins Intercare Insurance Solutions

SAN DIEGO, Dec. 12, 2007 — Intercare Insurance Solutions, a leader in innovative benefits consulting and services, today announced that Dan Faustina has joined the firm and is spearheading the company's business development activities throughout the San Francisco Bay Area. He will work closely with major employers in the region to help them select results-driven employee benefits, workers compensation, and property and casualty insurance solutions that best meet their specific business objectives. Faustina is based in Intercare's new Pleasanton, California office, and he reports to Mike Barone, president for Intercare.

“Dan is extremely focused, dedicated and resourceful and he brings a high level of energy and enthusiasm to everything he does,” said Mike Barone, president for Intercare. “He has a proven track record as an employee benefits professional. His expertise and insights about employee benefits, disease management and wellness solutions will enable him to effectively consult with our clients to help them get the very best return for every insurance dollar they spend. “

In his new role with Intercare, Faustina acts as an advisor to major employers in the Bay Area, helping each client identify their specific business goals and objectives. Through his efforts, clients are able to implement programs that significantly reduce their health care expenditures, transfer tedious administrative activities, lower risk and liability, and provide a positive experience for employees and their families.

“I was drawn to Intercare because of its unique approach to insurance brokering and consulting,” said Faustina. “Intercare is really changing the paradigm in the employee benefits arena, especially here in Northern California. Bay Area employers are underserved when it comes to the availability of creative, value-based insurance and risk management solutions like those offered by Intercare, and I’m excited to help my clients offer richer benefits and realize lower costs, as well as improved overall health for their employees. “

Faustina has more than eight years experience in employee benefits. Prior to joining Intercare, he was an area vice president for Gallagher Benefit Services in Pleasanton, California. Faustina earned his Bachelor of Arts degree in political science from Pepperdine University in Malibu, California where he also captained the men's rowing team and served as president of the Psi Upsilon fraternity. He is very active in the community and currently serves a consumer affairs commissioner for Alameda County and as a coach for the Pleasanton Junior Football League. Faustina also serves as a member of the economic development and government relations committees for the Pleasanton Chamber of Commerce.

About Intercare Insurance Solutions

Intercare Insurance Solutions was founded in 1994 by insurance professionals who realized that the role of the broker was dramatically changing due to massive industry consolidation. Since then, Intercare has evolved into an organization comprised of highly-skilled brokers backed by experienced insurance, financial, medical and service-focused experts and processes. The company's unique approach enables them to deliver insurance programs that support each client's financial and HR objectives. Headquartered in San Diego, California, the company provides customized solutions to more than 800 clients. For more information, please visit www.intercaresolutions.com.
