Intercare Expands Texas Operations and Opens New Regional Headquarters in Houston

Company is Poised to Help Employers Boost
Employee Health and Workforce Productivity

SAN DIEGO, Mar. 13, 2008 — Employers throughout Texas are better able to enhance the health and productivity of their workers thanks to the opening of Intercare Insurance Solutions' regional headquarters in Houston. This new office provides a home base for Intercare's Texas operations and enables the company to more effectively offer results-oriented employee benefits, workers compensation and property and casualty insurance solutions to employers throughout the state.

"Texas-based employers are currently underserved when it comes to the availability of creative, value-based, full-service insurance and risk management solutions that help them manage their costs while keeping employees healthy, happy and productive," said Mike Barone, president for Intercare. "Our innovative approach gives us the ability to produce both hard and soft dollar savings for our clients. Our new regional headquarters in Houston will provide these needed services to employers in this rapidly expanding marketplace."

Intercare's new regional office is located at 820 Gessner, Houston, Texas, 77024. The Houston-based staff can be reached at 713.932.5325. Intercare representatives will help employers throughout Texas discover new ways to approach their employee benefits and health plan strategies. Employers will learn how to implement programs that significantly reduce their health care expenditures, eliminate tedious administrative activities, lower risk and liability and provide a positive experience for employees and their families.

"Intercare is an experienced insurance brokerage and consulting organization focused on maximizing each client's return on every insurance dollar they spend," said Barone. "We've been successfully serving employers in Texas for several years, and this new regional office is a critical next step to ensure that we can effectively support the growing number of employers partnering with us in this region."

About Intercare Insurance Solutions

Intercare Insurance Solutions was founded in 1994 by insurance professionals who realized that the role of the broker was dramatically changing due to massive industry consolidation. Since then, Intercare has evolved into an organization comprised of highly-skilled brokers backed by experienced insurance, financial, medical and service-focused experts and processes.

The company's unique approach enables them to deliver insurance programs that support each client's financial and human resource objectives. Headquartered in San Diego, California, the company provides customized solutions to more than 800 clients.
